

Dear Prospective Member:

Thank you for taking the time to read through this brief membership information for the Home Builders Association of Western Maryland.

The Maryland State Builders Association (MSBA) monitors the State's Legislation and regulatory affairs. The Association works to ensure that laws and regulations affecting the industry are effective, but not complex, allowing the housing industry to operate freely while representing the unique natural resources of the State. Membership in HBAWM is held by the member company. The by-laws of the National Association of Home Builders (NAHB) and those of the HBAWM require a primary contact person for each member. **All employees of a member company are welcome to participate in all activities, events, committees and councils of the HBAWM.** The opportunity for self-promotion and advertising as a HBAWM member include advertising in the monthly newsletter, attending the general membership dinner meetings/AFTER FIVE as well as any other HBAWM events, listing in the membership directory and web site, exhibiting at the Home Show at member pricing and the ongoing promotion of "doing business with other members."

The annual fee for membership with the HBAWM is \$325.00. We hope you consider joining us!

If you have any question, please contact me at the office number listed above. I am available at all times via e-mail. Hours of operation are from 8:00 a.m. to 3:00 p.m., Monday through Thursday with varying times on Friday.

I look forward to hearing from you!

Sincerely,

Steve MacGray
President,
